

Participant's programme

Purpose

In this second event we lift our eyes to the future horizon and reflect on the key trends and issues that will shape services in the future.

Style

- *Informative, interactive, high energy*
- *Activities for different preferred ways of working and learning*

Pre-work

Please have a look at one of the TED talks here (after the vox pops and speaker videos from the 29th March event <http://exploringourfutures.org/video/>)
